PHOTOGRAPHIC SOCIETY

Presents:- **Review of the Year 2009/10**
& Planning the Year Ahead

Tuesday, 4th May 2010

7.00 pm to 9.00 pm

In 'Cabinet Room D', County Hall, Preston

Have you enjoyed the last 15 Photographic Society evenings? Did they cover what you wanted to know, see and hear or was there something missing from the programme this year? Your input is vitally important at this last meeting of the season as we plan for next year. Please don't leave it to just a few; come along, support the evening, have your say and help plan for the year ahead in 2010/2011. Remember many hands make light work!

Do you want more travelogues or would you prefer some practical sessions? Do you want to get back to basics again and cover topics like filters, shutter speeds etc. What about photo enhancement in Photoshop or techniques to further improve your audio visual presentations. The programme belongs to you, what you want to see and what you want to support.

Coffee and Biscuits available free on the night.
