

Lancashire UNISON PHOTOGRAPHIC SOCIETY

Presents:-

'Back to Basics'

Tuesday, 6th October 2009

7.00 pm to 9.00 pm

In 'Cabinet Room D', County Hall, Preston

At the request of members, and following on from the 2007 'back to basics' session, the evening will once again concentrate on the basics of photography such as exposure, shutter speed, focal length, film speed (ISO) and how to process RAW images using 'Adobe Camera Raw' software. Also at the request of members the basic use of sound (for Audio Visual Presentations) will be examined; how to rip tracks from CDs and manipulate using software such as Adobe Audition or the free downloadable 'Audacity'.

Coffee and Biscuits available free on the night.
